Lucy: I have finally finished my homework.我终于写完了作业。

Father: You're playing with your mobile phone again, have you finished your homework？你又在玩手机了，作业写完了吗?

Lucy: Father I, have finished my homework.父亲，我完成了我的作业的。

Father: Give me your mobile phone.给我你的手机。

Lucy: I've only played for a few minutes.我才玩了几分钟而已。

Father: Be obedient, gave me your mobile phone and read your book.听话，把手机给我，去看书去。

If you don't study hard, what if you can't pass the exam?再不好好学习，到时候考不上怎么办?

Lucy: But I only play with mobile phone once a week!可我一个星期只玩一次手机啊!

Father: Don't test my patience.不要考验我的耐心。

Lucy: Okay.行!

Lucy: My name is Lucy.我叫露西

I'm a senior high school student .At the same time, I'm also a resident student.我是一名高中生，同时……我也是一名住校生。

I go home two days a week, go home from school on Friday and stay back to school on Sunday.我每周回家两次，周五放学回家，周日回校。

Mobile phones are not allowed in school.So I take time to play with mobile phones every week when I go home.学校不允许携带手机，所以我每周日会抽空玩一次手机。

My grades are not too bad but there are not so ideal.我的成绩不算太差，但也不是那么理想。

My father told me since I was a child that if I can go to college in the future.I can only work hard.我的父亲从小就告诉我，如果将来上不了大学，那就只能去做苦力。

I have no doubt about this, and I don't refute it.我对此毫不怀疑，我不反驳

Because…this is exactly what is happening around me.因为这正是我周围发生的事情。

So… there is no doubt I think that my studies are more important than anything else.所以我毫无疑问，我认为我的学习比其他任何都重要。

That's why... my world has nothing but learning!也正是如此……我的世界除了学习，就没有其他的了!

I never complain about the life of two points and one nine.两点一线的生活我从不抱怨。

After all... I'm just an emotionless learning mention!我只是一台没有感情的学习机器!

(一年后……)

Lucy: A year later,I graduated and was admitted to a university.一年后我毕业了，也考上了一所大学。

But I don't seem to be happy!我好像不开心!

I have achieved what my parents expected.我完成了我父母所期望的。

But I don't seem to have achieved the goals they set for me.但好像也并没有达到他们所为我设定的目标。

It's 1 a.m,why am I standing here at this moment?现在是凌晨一点，为什么此时此刻我会站在这里?

I'm not the pride of my parents!我并不是父母的骄傲!

(五个小时以前)

Lucy: Father, the results have been announced! I was admitted!父亲！成绩公布了！我考上了！

But...it's just an ordinary university. I'm sorry.但只是一所普通的大学，对不起!

Father: What? Ordinary university? Are you kidding?什么？普通大学？你在开什么玩笑？

Lucy: I'm sorry...对不起……

Father: What's the difference between this and falling this exam?这跟没考上有什么区别？

Lucy: Why is there no difference?Anyway, I tried my best.Okay?怎么就没有区别了？再怎么说，也是我努力的来的好吗？

Father: Tell me what's the use? what can you do after graduation?你告诉我有什么用？毕业之后能干嘛？

Lucy: Why is useless? Isn't there something to be happy? At least I passed the exam.怎么没用？这难道不是一件值得开心的事吗？之前我考上了！

Father: So what? Can you be admitted to graduate school then?那又怎样？到时候能考上研究生吗？

Lucy: I thought you would be proud of me!我以为你会为我感到骄傲！

In your eyes, only learning is the most important and nothing else is important, right?在你的眼里只有学习最重要，其他的都不重要，对吗？

Father: What about that? Do you understand that knowledge changes fate?那不然呢？知识改变命运你懂不懂？

Lucy: So I let you down,right?所以我让你失望了，对吗？

Father: What's the use of saying this now?现在说这些还有什么用？

Lucy: Father, let me ask you.父亲我问你。

Since I was born,have you really treated me as your daughter？从我出生以来，你有没有真正的把我当成你的亲生女儿去看待？

Father: Why not? If not, why am I raising you so old?怎么没有？如果没有的话我养你这么大干嘛？

Lucy: Then why can't I feel it?那为什么我感觉不到？

If I didn't even pass the college entrance examination today, what should you do?假如我今天连高考都没有考上，你会怎么做？

Will you tell me that it doesn't matter, it's okay if you doesn't pass exam. You tried your best. Anyway, you are my pride. Will you comfort me? Will you care about me? No it won't.

你会对我说，没关系，没考上也没事，你尽力了，无论如何，你都是我的骄傲。你会吗？你会安慰我吗？你会关心我吗？不会。

In your eyes, my world is only learning.在你眼里，我的世界只有学习。

If I don't meet your requirements.You will blame me, and all my effects are worthless in your eyes.我如果达不到你的要求，你就会责怪我，而我所有的努力在你眼里一文不值。

But do you think I don't want to? I tried my best, my spirit is in a state of high tension every day, and I don't dare to relax for a moment.但你以为我不想吗？我尽力了，我精神每一天都处于高度紧绷的状态，没有一刻的放松。

I also want to play with my mobile phone after finishing my homework, I also want to go out and relax during the holiday, I also hope to get your encouragement, not just putting pressure on me.我也想在完成作业后玩一玩手机，我也想在放假的时候能出去逛一逛，我也希望能得到你的鼓励，而不是只会给我施压。

Have you ever told me that health is more than anything else and more than grades?你有没有告诉我健康比其他任何东西都重要？也比成绩更重要？

Father: Don't talk back to me.不要跟我顶嘴。

Lucy: I'm really tired.我真的好累……

(I've ever cried. I cried heartbreakingly today.从来没有哭过的我，今天哭的撕心裂肺。)

I really want to end this!我真的很想结束这一切！

Cheems: Don't do that.别那样做。

Lucy: Who are you?你是谁？

Cheems:I know what you're thinking and you're suffering, but please don't do that,okay?我知道你在想什么，也知道你很煎熬，但请别那样,好吗？

Lucy: No,you don't understand at all!不，你根本就不懂!

Cheems: I know,I see myself.我懂，我看到了曾经的自己。

You can trust me,what's your name?你可以相信我，你叫什么名字？

Lucy: Lucy...

Cheems: Okay, Lucy ,my name is Cheems, can I talk to you?好的，露西我是Cheems，我可以陪你聊一聊吗？

Lucy: All right... but I don't think it will help me.好吧.....但我并不觉得会对我有帮助。

Cheems: It doesn't matter, it will feel better to say it.没关系的，说出来会好受一些。

(bulabula……)

Lucy: So...that's probably it! My father is disappointed in me.所以.....大概就是这样，我父亲对我很失望。

i don't know what to do, there seems to be no other choice.我不知道该怎么做，好像也别无选择。

Cheems: Lucy,I know what you have experienced makes you feel terrible.我知道你经历的这一切让你感觉很糟糕。

You're right,you tried your best, but your father asked you too much.你没有错，你也尽力了，只是你父亲对你的要求太高了。

Lucy: Yes,I really tried very hard, but why didn't I meet my father's eggs expectations?是的，我真的已经很努力了，但为什么就是达不到我父亲的期望？

Seagull: Because the two sides have different positions and different perspectives on the problem.因为双方立场不同，看待问题的角度也不同。

Lucy: Who are you?你又是谁？

Seagull: As you can see, I'm just an ordinary seagull.如你所见，我只是一只普通的海鸥。

Why don't you two go home in the middle of the night?大半夜的你们两个怎么不回家？

Lucy: It's just a horse!只是一栋房子而已!

Seagull: I understand.You remind me of a girl, she wanted to end everything here.我知道了，你让我想起了一个女孩，她曾想在这里结束一切。

Lucy: Mr.Seagull,what exactly are you trying to say?海鸥先生，你到底想说什么呢？

What I want to say is that it's not over yet.我想说的是，还没有结束。

Cheems: Mr.Seagull, please continue.海鸥先生，请你继续。

Seagull: OK, let me tell you about your father's position first.好的，那我跟你说说你父亲的立场。

Lucy: How did you know it was about family?你怎么知道这是关于家庭的?

Seagull: It doesn't matter, listen to me.这不重要，听我说完。

In your father's time,they were in a different environment.在你父亲那个年代，他们所处的环境不同。

There is a generation gap with you, in their cognition, only knowledge is the most important, which is what their parents instilled in them.跟你们是有代沟的，在他们的认知里走知识最重要，这也是他们的父母所给他们灌输的思想。

At that time they had to think about whether they were full or not whether they could be admitted to a good university.他们那时候要考虑的是能不能吃饱？而不是能不能考上好大学。

There is a doubt that their environment was very bad at that time.他们那时候环境很恶劣，就是毋庸置疑的。

But why can they survive in such a high-pressure environment?但为什么在这种高压的环境下，他们还是能熬过来呢?

Are they stress-resistant in their hearts? Actually, it's not.是他们心理抗压能力强吗？其实不是的。

It's just that the environment makes a person. If you were born in that era, you can do it.只是环境造就一个人，如果你出生在那个年代，你也能做到。

Then why does your generation collapse and want to end at all times?那为什么你们这代人动不动就崩溃？动不动就想结束呢?

Your environment is also very good now. Don't worry about whether you won't strave tomorrow. You don't have to go to school.你们现在所处的环境也很好，不用担心明天会不会挨饿，不用翻山越岭的去上学。

The only thing you have to worry about is whether your grades will decline and whether you can be admitted to a good university.你们唯一要担心的就是成绩会不会下滑，能不能考上好大学。

So even if it is already in such a good environment ,why do so many people choose to end?所以，即便是已经处在这么好的环境中了，为什么还是会有这么多人选择结束呢?

Whose problem is it? Is it your problem or your parents' education?是谁的问题呢？是你们的问题，还是你们父母教育的问题?

Lucy: But I tried my best.但是我尽力了。

Cheems: Yes,we really tried our best!是的，我们真的尽力了!

Seagull: I know you tried your best.我知道你们尽力了。

Lucy: So what do you mean by this?那你说这些又是什么意思呢?

Is it my flute that my failure is my problem,right?难道说是我的错？我没成功就是我的问题，对吗?

Cheems: Honey, please don't think so,you are right.亲爱的，请别这样想，你没有错。

But as I said, it's not over yet.但正如我所说的，还没有结束。

Lucy: For me, it's over.It doesn't make sense.对我来说已经结束了，没有意义。

Cheems: Mr.Seagull, I feel like a riddler.

海鸥先生，我感觉你像个谜语人。

Let me talk to her.还是让我来跟她谈吧。

Seagull: So?Do you know what to do?所以?你知道该怎么做吗?

Cheems: I...don't know.我.....我不知道。

Seagull: Then listen to me.那就好好听我说。

No matter how much pressure your parents put on you, you have to find a way to release it.不管你父母给了你多少压力，你要找的一个方法释放出来。

Don't put all your emotions in your heart to expand your world.你不要把所有情绪积压在心底，去拓展自己的世界。

Read a book that you are interested in and go out for a walk.

去读一本自己感兴趣的书，出去走走。

If your world is too small,when something happens, you will be crushed and there is nothing else to support you.如果你的世界太小，当一件事情发生时，你会被压碎，没有其他事物去支撑你。

But when your world expands little by little. Something goes wrong with you,and there will be other things to fill for you.但当你的世界一点点扩大时，你遇到一件不顺心的事，会有其他东西来为你填补。

Lucy: I don't quite understand!我不太能理解!

Seagull: It's very simple.很简单的道理。

When you were a child,you would feel sad because your toys were broken or lost.小的时候你会因为玩具坏了或者丢了感到难过。

Because in your knowledge.That is your only toy, and there is nothing to replace.因为在你的认知中，那是你唯一的玩具，没有东西可以替代。

But when you grow up and think about it,you won't be sad anymore.但等到你长大了，你再回过去想想，你并不会难过了。

Because your world has begun to expand,there are not only toys in your world,but also other things.因为你的世界开始扩展了，你的世界里并不只有玩具，有了其他东西。

Do you understand?你懂了吗?

Lucy: I probably understand!我大概明白了!

Seagull: What about you?你呢?

Cheems: That's how I survived.我就是这样熬过来的。

Seagull: I want to take you to your place.我想带你们去一个地方。

Lucy: Where are you going?去哪里呢?

Seagull: Come with me.跟我来。

(转场，面朝大海)

Seagull: I once brought the girl here to watch the sunrise.我曾带那位女孩来这里看日出。

Lucy: So you just want to show us the sunrise?所以你就是想带我们看日出?

Seagull: Of course.那是当然。

I don't have a diploma or a philosopher, but I still have something to say to you.我呢？也没什么文凭，也不是哲学家，但我还是有些话想对你们说。

Lucy: Mr Seagull, please say it,we will listen carefully.海鸥先生，你说吧，我们会认真听的。

Seagull: The sun rise every day, the sun doesn't need us, but it illuminates as every day,because this is her mission.太阳每天都会升起，太阳不需要我们，但每天都会照亮我们，因为这是她的使命。

It's like some people are in the dark all their lives, but they will inadvertently bring light to some people.就好像有的人一生都处在黑暗之中，但他们也会在不经意间给某些人带来光明。

Do they need these people? No, then why did they do this？是他们需要这些人吗？不是的，那他们为什么会这么做呢？

Because I go caught in the rain, I also want to hold an umbrella for others.因为曾迷失于雨中，所以也想给别人撑起雨伞。

So...所以……

We don't have to make the same mistake again,don't we?我们不必去重蹈覆辙，不是吗？

Lucy&Cheems: We understand.我们懂了。

Lucy: I know that maybe you are going through something bad.我知道也许你正在经历一些糟糕的事情。

Seagull: You are very painful,desperate.你很痛苦，很绝望。

Cheems: Want to give up,and have done something stupid.很想放弃，也许已经做了一些傻事。

But you will get through it in the end,don't you?但你最终会熬过去的，不是吗？

Lucy: Don't you?不是吗？

If you can hear my voice.如果你能听到我的声音。

Cheems: If you can hear my voice.如果你能听到我的声音。

Seagull: If you can hear my voice.如果你能听到我的声音。

If you are going through this and hear my voice.如果你正经历这些，并且听到了我的声音；

Lucy: I hope you can stick to it.那我希望你能坚持下去。

Seagull: I know it's difficult.我知道这很难。

Cheems: I know you have persuaded yourself countless times.我知道你无数次的去说服自己。

Lucy: But please listen to me.但请听我说。

Seagull: You are the best.你是最棒的。

Cheems: You are not bad.你并不差劲。

Seagull: You can cry.你可以哭。

Lucy: It doesn't matter.没关系的。

Cheems: It's not a shame.这不丢人。

Lucy: But please don't hurt yourself.但请别伤害自己。

Seagull: Please believe me,it's not over yet.请相信我，还没有结束。

Lucy: Let's go together to make the world a better place.让我们一起去，让这个世界变得更美好。

Cheems: Okay?可以吗？

Lucy: We.我们。

Lucy&Cheems&Seagull: Will get through it.会熬过去的。

Lucy: We will.我们会的。

Seagull: We will.我们会的。

Cheems: We will.我们会的。

(他们也需要被呵护，需要被理解鼓励；他们也会累，真的不是他们太脆弱，心理健康不是物质能治愈的，不要觉得这是一种矫情；多一点关心，多一份理解。生命大于一切，如果人不在了，学习还有什么用？他们的世界不应该只有学习！)
